ASIA LIVE: MAKING HEADLINES

"The restaurateurs behind San Francisco's expansive Chinatown restaurant China Live plan to open another large scale restaurant in the Bay Area.

George Chen and Cindy Wong-Chen announced they will launch their newest restaurant, Asia Live, this year at the popular Westfield Valley Fair mall in Santa Clara. The 13,000-square-foot restaurant will have 350 seats, and rather than Chinese cuisine alone, promises to serve dishes from Southeast Asia, East Asia and beyond.

In a press release, Chen stated Asia Live is a natural progression following the success of China Live, his 30,000-square-foot complex at 644 Broadway, which opened in 2017."
